## REPORT OF THE TOWN AUDITOR

This is to certify that I have examined the books of the Town of Roxbury for the year ending December 31, 1983.

I have examined the books and records of the Town Clerk, Town Treasurer, Tax Collector, Selectmen and Trustee of Trust Funds (including an examination of the securities). I find that the books and records of the town reflect its true financial condition as of December 31, 1983 to the best of my knowledge and belief.

I find that the Town Clerk, Town Treasurer, Tax Collector, and Trustee of Trust Funds are bonded by surety companies as required by law. Uncollected taxes reported by the Tax Collector have been verified by written notice.

I would suggest that town officials attend the meetings of the various associations of which they are members, as much can be gained from these sessions.

I would like to thank the Town officials for their co-operation and assistance during the period of the audit.

Respectfully submitted,  
*Oliver F. Derby*  
Town Auditor

In an attempt to give the town better police coverage and increase the availability of police officers, this year we purchased two motorola minitor pagers. These pagers are activated through the Southwestern N.H. District Fire-Mutual Aid Dispatch Center and are small enough to be carried almost everywhere the police officers go.

If a call is received by Mutual Aid, they attempt to call us by telephone or two-way radio. If there is no response, the pager is activated. The pager each officer is carrying gives a tone and then a message is given to call the Dispatch Center or respond to a certain location. This makes if possible to almost always make contact with an officer. If, by chance, both officers are not available and can not respond, they will place a call to the New Hampshire State Police and a State Trooper will respond. I have received positive feedback from people in the town saying they had no problem contacting the police.

This year, we received 31 complaints more than we did last year. We are also encountering more investigation time that is required on complaints we are receiving. One case in particular required over 40 hours of investigation

time, and led to an arrest of the perpetrator. There were over 550 man hours this year and over 4050 miles put on our vehicles for the Town.

This year, we intend to continue to provide the same services we have in the past. Both Deputy Neal Collier and myself are always trying to improve the department as a whole. We are always open to ideas and more than willing to speak to anyone in the Town about any problems they have. We have also found that people in the Town are very willing to help us. There have been times that citizens observations have been very important to our investigations. To those people, we are very grateful.

In closing, I would like to request that everyone in the Town watch for unusual events or circumstances. IF YOU SEE SOMETHING - REPORT IT! It's better for us to check a situation and find out that everything is alright than not to report it and find out something was wrong.

Respectfully submitted  
*Earl D. Nelson*  
Chief of Police  
Roxbury Police Dept.

## REPORT OF THE SCHOOL BOARD REPRESENTATIVE 1983 - 1984

The annual meeting of the Monadnock Regional School District was held on March 1, 1983. Voters approved a total appropriation of \$5,188,471. District assessment was \$4,599,614 - an increase of 8.3% over the previous year. An unanticipated increase in state revenue reduced the increase by 5.6% for the year.

Overall, the Monadnock School District continues to provide a quality education at a very reasonable cost - especially when compared to neighboring districts.

Respectfully submitted,  
*William A. Hamill*

**Article 22:** To transact any other business which may come before the said meeting.

As a result of a study made by the volunteer committee formed at last years Town Meeting to assist the Town Hall custodian in formulating guidelines for renting the hall, the following suggestions were offered:

1. The Chief of Police is to be notified when the hall is rented so he may be able to prevent traffic problems.
2. Parking to be confined to one side of the road and not to block driveways.
3. The renting party should be allowed to procure the key to the hall at an early time and return it at a later time than use of the hall is scheduled for in order to allow for preparations and cleanup. (i.e. pickup key on Friday and return on Sunday for a Saturday party.)
4. The Chief of Police will enforce a midnight curfew for partying members attending a party at the hall, except for New Year's celebration.
5. In the event of a gathering of more than 25 persons, the hiring person must provide for police control. This suggestion was modified to provide for a gathering of more than 50 persons with the custodian making a decision based upon nature of party, age group, etc. A motion was made and seconded on this rule. Motion carried.
6. A suggested \$50. deposit required, in addition to the rental fee, to cover possible damage to property. This was considered unnecessary.
7. All trash in excess of the two barrels provided by the custodian must be disposed of by the person renting the hall.
8. A charge to be made for use of chairs. It was decided this was not necessary.

A final motion was made and seconded to have rules printed and made available to persons renting the hall. Motion carried.

The subject of making minor repairs to the Town Hall roof by volunteers was discussed. It was decided to have this in next year's Warrant.

A resident questioned whether it would be possible for residents to have access to the Keene Public Library facilities. A motion was made and seconded to have Selectmen check on the fee required, if any, and attempt to make arrangements for this facility. Motion carried.

A motion was made and seconded to close the meeting. Meeting closed at 8:40 P.M.

Respectfully submitted
